Concepts University College London

Frequently Asked Questions

What types of degrees CUC offers?

All the degrees are very clearly states that it is a Professional Knowledge Degree Qualifications. The degrees are of Bachelor, Master, Doctor of Business Administration or Management and Doctor of Philosophy. Whoever wants to gain Doctor of Philosophy, he or she must hold reputable & acceptable

How long will it take?

CUC being a knowledge oriented university, our mission is to offer an individualized, mentored qualification at a fraction of the cost of many other state or private universities. The standard duration may be reduced considerably if the candidate is considered under the scheme of **Accreditation for Career Progress Development (ACPD) or Affirmation for Prior Experience & Learning (APEL)**. Equally, if the candidate wishes to peruse through **Academic Route Learning (ARL)** the amount of time and effort will be a major factor in determining how long the individual is prepared to put until graduation. These factors will often mean that you can complete your degree in significantly less time than in a traditional learning route. This does not mean the quality standard is less.

How do I apply? When can I start?

CUC is proud to say to their entire prospective candidate that being a Knowledge Oriented University, no time bar is attached for enrolment. Anyone can enrol all year around either directly with International Coordinating Centre or Local Representative Offices in respective countries. The candidate who wishes to use the ARL scheme must come through respective approved academy centres.

Is CUC accredited by a government-recognized organization?

The **Concepts University College (CUC)** vision was evolved from the **UK Incorporated Non Chartered Professional Body the Corporation of ExCUCtives and Administrators (CEA)**, which constitution permits to create as many faculties it may deem necessary in the year of **1981 in Great Britain**.

remarkable solution of constituting a **Work Oriented Knowledge University** theory and to offer with individuals by facilitating dual qualifications by affirming their invaluable work experience.

This was made possible by submitting the appropriate application with **pertaining to the Incorporation Constitution** on the February 14, 2005 by Mr. John L Williams, the Incorporator and nominated 1201 Orange Street, Suite 600, Wilmington, Delaware 19801 as it is registered office and *approval of State Secretary of Government of Delaware was given on the 31 of May 2005 with the official registration number of 02254641 along with the Authentication number 3914155 as an Virtual Distance Learning Knowledge University.* **CUC DEGREES ARE EARNED NOT AWARDED.**

Therefore, **CUC Board of Governors** looks for the accreditation and endorsement form every working individuals, entrepreneurs, business organisation, private and government employers, professional awarding bodies as CUC qualifications are worked based knowledge degree awards. **CUC Board of Governors firm believe that Knowledge Degree Professional Educational Qualifications has neither age does neither limit nor boundaries because it is conferred upon work licence individual professional.**

Frequently Asked Questions

Are the standards of CUC comparable to those traditional on-campus degree qualifications?

The traditional on-campus degree qualifications are 100% academic oriented, but CUC qualifications are based on hands on work experience and prior learning. CUC wishes to confirm that In terms of academic rigor, CUC believes that the **Professional Quality Management Standards** are at least as demanding as those of traditional universities, although CUC purpose is to offer an intentionally different form of a professional knowledge educational experienced degree award with the learner in control of the process. To this effect CUC candidates are assessed, examined and verified by ISO 9000:2008 approved institution UK-Commission for Consistent Learning (UK-CCL). CUC awards has y single major aspect based on their last five years work experience in align with the traditional University's academic processes of mainstream institutions.

The learning route is much more flexible than that of any traditional institution - in stipulations of being self-planned and self-paced. Therefore, in terms of personal attention and attentiveness on the particular needs of the candidates, it far exceeds what is accessible somewhere else. CUC consider powerfully and with significant historical model in support, that this flexibility is achieved without compromising professional academic standards, and that being unlike from traditional institutions does not make us substandard to them.

Does CUC give any credit for life experience?

Yes

Its Objective is to elevate every working licensed individual to gain a reputable and acceptable degree qualification to bring them to the level to a academic professionals.

Are CUC degrees accepted in employment?

CUC confers their Professional Knowledge Degree awards to candidates who are legitimately licensed work experienced individual. Therefore, this decision is for the individual employer and with great pleasure we can confirm that many of our candidates have benefited with our awards. To this effect we have received positive feedback from employers whom we have consulted, indicating that the personalized nature of our awards and it has high appreciation from private business community. With all issues of acceptance, however, you should make your own exploration to make certain that the professional knowledge degree you have it in mind to pursue will meet your current and upcoming needs.

Do you accept transfer credit from other institutions?

CUC accepts transfer of credits from other institutions and partly qualified matured students on a case by case basis, without boundary to the transfer that is possible within our available limits. On the other hand, CUC is generally has an open-minded policies in allowing the candidate an opportunity to prove themselves of their eligibility.

Do credits from CUC accepted by other learning institutions?

It is a vital question, but CUC cannot give any under taking in this regard as relevant decisions concerning the acceptance of CUC awards strictly depends on the receiving institution admission policies and are made at the sole discretion of the individual institution. CUC qualifications are explicit and unique as they are based on work experience and prior learning.

Concepts University College London

Frequently Asked Questions

So, continuing in obtaining a degree qualification or intention of transferring credits to any to any other awarding body, they must not take for granted that credits earned at CUC will be accepted by the awarding bodies without first verifying this independently prior to their ennoblement. Please be advised that an institution's legal or accreditation status does not guarantee that credits earned at that institution will be accepted for transfer by the other institution, and no institution, however distinguished and whatever its accreditation status, can state truthfully that its credits are collectively accepted in all situations.

Are scholarships available?

CUC being an independent international non-governmental no profit quasi charity private corporation incorporated in State of Delaware, USA does not participate in government-funded aid programmes and it cannot offer a general scholarship scheme, because CUC being an affiliate of **Chris Thomas Corporate Trust (CTCT)** of Great Britain, do consider some scholarship on individual basis with approval of CTCT for the candidates from the developing counties. On the same token CUC is actively seeking for any donors to come forward in sponsoring any candidates via CTCT scheme. But candidates may seek assistance from their current employers or private financial commercial loan companies. If any documents in related confirmation acceptance to any award, CUC admission department will assist the candidates, as long as written request made by the protective candidate.

Do you issue printed prospectus?

CUC believes and support green environment, therefore it is readily available for print in their dedicated website and does not send it by postal mail.

Do you accept application via the telephone consultation?

CUC does not believe on telemarketing concept, but surely depend and support personal and individual references. Telephone consultation is offered to clarify any doubts and assist the prospective candidates

application along with detailed CV must be enclosed for initial assessment to be carried out. The use of telephone processes in admissions is usually a cover for high-pressure sales and marketing counsellors paid on commission. CUC always wants the applicant to think carefully and independently before making any decision and to be absolutely sure before enrolling. There is no high pressure sales talk because CUC emphasis is on achieving high quality and satisfaction.

What are the Fee Structure Procedures?

A Non Refundable Registration fee is payable by every applicant on initial submission of documentation. There after fees are determined by the Deputy Chancellor of Bursary in consultation with the ExCUCtive Governor General. The fee structure is reviewed third week of December every year. Every providers of CUC awards must adhere to the fee structure lay down by the Bursary. The only person who has the full authority to award any fee deduction will be the ExCUCtive Governor General. The fee comprises of Registration, Learning, Assessment, Verifying and Awarding. All fee must be remitted to CUC Bank Account nominate by the Board of Governors in conjunction to CEA.
